EYFS have been enjoying their new stories. Nursery have been reading "Leaves" and Reception have been making wanted posters for "The Gruffalo!"

Year 1 have been working really hard in English this week. They have started writing their own stories.

Year 2 have been continuing their work on Lowry and investigating his life as a significant artist in Manchester. Fact file here we come!

In science, **Year 3** have been learning about human skeletons and the names of some of the bones. They will be investigating if other animals also have skeletons.

This week **Year 4** had the pleasure of taking part in a Roman workshop. The children were immersed in the life of Roman days by learning to march like the Roman army, playing Roman board games and even trying on some costumes! The children have also produced a Roman shield and a floor tile using clay and mosaic pieces.

This week **Year 5** have been designing outfits to wear at a Brazilian carnival; made spreadsheets of information about Brazilian cities and developed their elimination problem solving skills in maths!

On Wednesday **Year 6** did their forest art in the woods and the children made beautiful sculptures using natural products. They are really looking forward to showing parents at their sharing event.

Year 6 are continuing to read "Wonder" by R J Palacio and are feeling very disappointed with the character of Jack Will!

In maths year 6 are adding and subtracting fractions with different denominators.
