EYFS have been making 'Diyas' in the workshop and talking about the festival of Diwali. We used the pumpkin seeds from our sensory play last week to decorate the tea light holders.

In English, **Year 1** have been writing instructions on how to make a paper boat for Mr Gumpy.

Year 2 would like to thank everyone who attended their sharing event, the children really appreciated it. Next week year 2 are going on a walk around our local environment to look at all the features.

Thank you to everyone who came to **Year 3's** 'Stone Age' sharing event on Wednesday. The children enjoyed showing you their writing and art work, trying out some cave art and reading 'Stone Age Boy' with you. Year 3 have also been learning about the world's most dangerous volcanoes and locating them using atlases. In topic, year 3 have been learning about the different types of rocks and they went on a tour of the school to identify where rocks have been used.

This week in Art, **Year 4** have been replicating patterns on buildings in Salford.

This week **Year 5** have been learning how to multiply by 10, 100 and 1000; in English they have been learning all about dinosaurs in their new book and have started to learn about different materials in science. Year 5 are also really excited about their sharing event on Monday and have been getting a few last minute things together and practicing their song!

Year 6 have started a new unit called staying alive in science, they have been focussing on healthy hearts. On Monday, the British heart Foundation came in to do some work with the children.

WELL DONE, keep up

A Message From Miss Richens

Many thanks and an enormous well done to the following pupils who took part in the first of the 4 cross country races at Bolton Road Playing Fields on Saturday. They all did really well, kept going to the end and dug deep!

Essylve
 Jamila
 Muhanat
 Milly

I would also like to thank Miss Kerridge, for coming with us to support the children and to set up the course and to all the parents who attended to cheer their children on.

Don't race against others, race against yourself!

Looking to get a fit but don't have the time once the kids are home... Well look no further!

Next week we are starting a Daily Mile club for all parents/carers, friends and family. Don't worry you don't have to run, you can jog or walk. Why not even time yourself each week and set targets to get faster and faster each time.

The club will take place every Tuesday and Wednesday 2.45 - 3.15 on our daily mile race track. All you need to do is come to the office on the day in your sports wear and get going with Mrs Lawson and Mrs Briggs.

Poppies

Poppies are on sale at the office. We have key ring poppies, paper poppies, and a variety of stationary with a poppy design. Donations of 50p recommended.

Looking Smart

Please can you make sure that your child comes to school in their full school uniform. It is getting cold now, so your child will need to wear their school jumper/cardigan and black school shoes that keep their feet dry and warm (no trainers please).

Please do not substitute school jumpers for jumpers of other colours or hoodies. We would ask that your child wears school trousers/skirts and not leggings, tracksuit bottoms or jeans.
